We have an indoor playroom with a selection of toys you're welcome to use at the table.

When the weather permits we have an amazing garden and sandpit where you can burn off energy.

If your grown up has misplaced wipes or nappies we have loads they can help themselves to outside our disabled toilet which doubles as a changing facility with potty and toilet training seat.

Our whole little ones menu is available on regular ceramic plates or served on plastic plates with plastic cutlery. Ask your server.
